A Polaris utility vehicle, possibly a Ranger, is shown from a rear-quarter perspective, driving on a dirt path through a forest. The vehicle is dark-colored and has a 'SPACE' logo on the rear. It is equipped with a roof rack carrying gear, including what looks like a kayak or canoe. The background consists of tall, thin trees with some green foliage, suggesting a wooded area. The overall scene is captured in a cinematic, slightly desaturated style.

# ADAPTABLE

## FOR ANY ADVENTURE

Maximize your outdoor experiences with a highly configurable vehicle that supports whatever gear you need. With innovative storage solutions, modular folding seats, and 100+ all new accessories, you will always be ready for adventure.

POLARIS.COM | 13

**BUILT TO KEEP UP WITH EVER-CHANGING ADVENTURES.  
DESIGNED TO PACK, HAUL AND DO MORE. THE POLARIS  
XPEDITION IS THE ULTIMATE ADVENTURE-READY RIG.**

## **PACK IT IN, PACK IT OUT**

A flat roof allows you to outfit your vehicle with a Rhino-Rack® rack and compatible accessories like a tent, awning, recovery gear or whatever other items you need for your next adventure. And the all-new Lock & Ride MAX system of accessories and attachments allows for virtually limitless customization opportunities. Combine that with a 2,000 lb. towing capacity and you've got a pack mule of a machine.

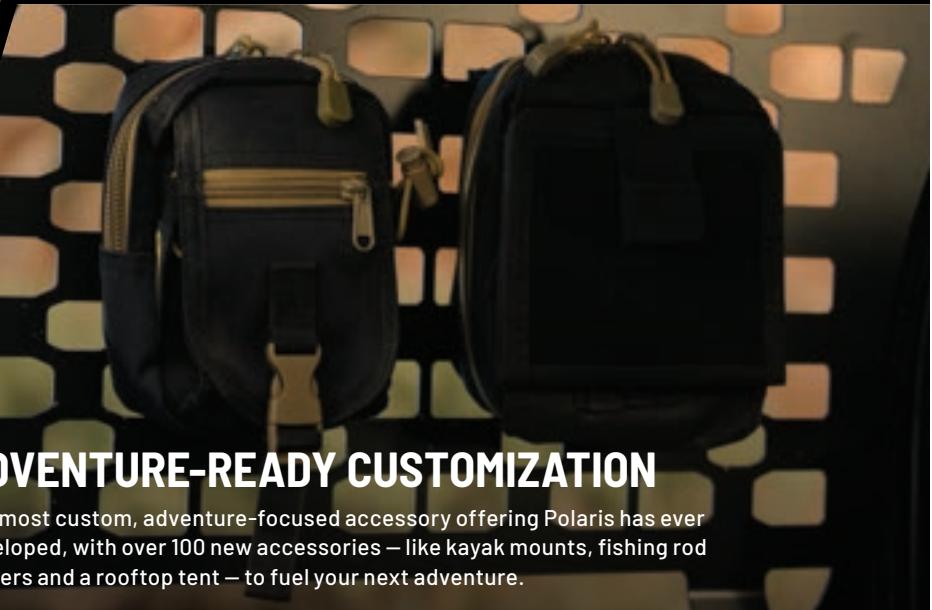

Polaris XPEDITION XP 5-Seat

## HAUL MORE PEOPLE OR GEAR

The ADV 5-seat models have a 60/40-split, flat-folding rear seat design allowing you securely carry more gear while keeping it protected from the elements. Plus the 60/40 flip-up rear seats and flat floors make it easy to store things in the rear.

## ADVENTURE-READY CUSTOMIZATION

The most custom, adventure-focused accessory offering Polaris has ever developed, with over 100 new accessories — like kayak mounts, fishing rod holders and a rooftop tent — to fuel your next adventure.

# TAKE YOUR RIDE EVEN FURTHER

The Polaris XPEDITION is waiting to head out for adventure – and ready to be customized for exactly how you want to use it. With 100+ accessories and five curated collections, the biggest question is... **WHERE WILL YOUR POLARIS XPEDITION TAKE YOU?**

# CAPABLE

## TO GO BEYOND THE TRAILHEAD

The Polaris XPEDITION is built to get deep into the backcountry, away from the trailheads and the crowds. With a range farther than anything we've ever built, features designed to make it even more capable on the trail, and power for technical terrain — It's not just a new machine, it's an entirely new category of machine.

POLARIS.COM | 27

**BUILT WITH FEATURES TO CONFIDENTLY TACKLE  
OBSTACLES YOU MIGHT FIND ON THE TRAIL AND  
THE POWER TO HANDLE TECHNICAL TERRAIN.**

## **GO FARTHER, STAY LONGER**

With a 200+ mile fuel range\*, you can reach farther places and extend your adventure. Go farther. See more in a day.

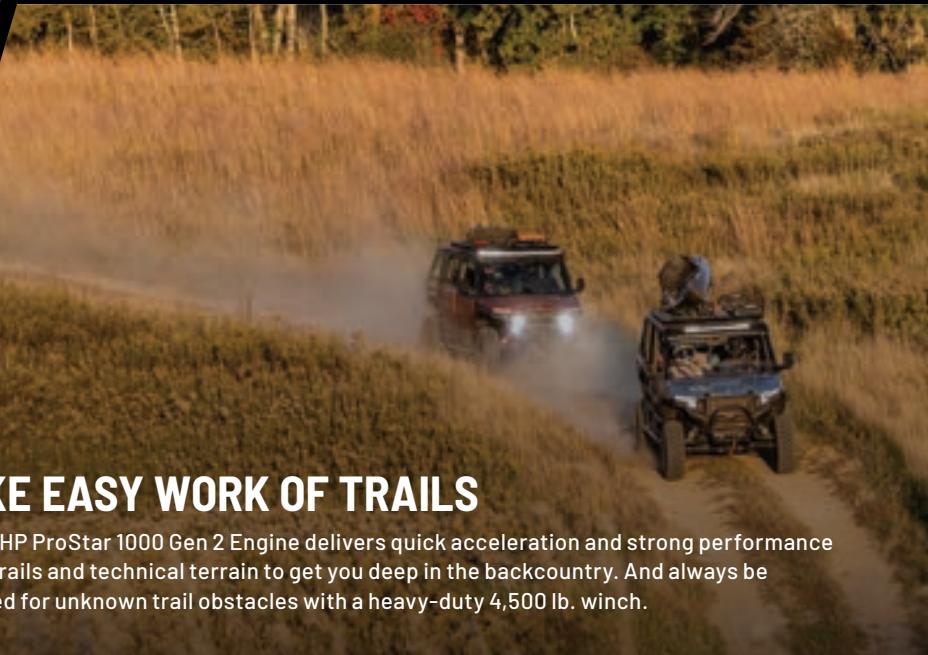

Polaris XPEDITION ADV 5-Seat

A man and a young boy are sitting on a silver folding chair outdoors. The man is wearing a plaid shirt and the boy is wearing a grey t-shirt. They are both smiling and looking towards the right. The background shows trees and a bright sky.

## DRIVE CONFIDENTLY

High-mount air intakes, sealed electrical system, and 14" of ground clearance let's you tackle mud, water, or snow and know your electrical systems will stay dry and your engine, clutches, and belt will get the fresh air they need to run at peak performance.

Two Polaris vehicles are driving on a dirt trail through a field of tall grass. The vehicle in the front is a red and black model, and the one behind is a blue and black model. Both are kicking up dust as they drive.

## MAKE EASY WORK OF TRAILS

The 114 HP ProStar 1000 Gen 2 Engine delivers quick acceleration and strong performance on the trails and technical terrain to get you deep in the backcountry. And always be prepared for unknown trail obstacles with a heavy-duty 4,500 lb. winch.

CHOOSE THE RIGHT

# PARTNER FOR ADVENTURE

When you're planning for an epic adventure, the right gear matters. With Polaris XPEDITION, you can confidently explore remote backcountry terrain and tackle the toughest tasks. It offers trail-ready performance, ultimate comfort and the most versatility of any crossover side-by-side – the perfect combination for any off-road adventure.
