# APPAREL

## FIT FOR ANY ADVENTURE.

For outdoor enthusiasts looking for gear that's purposefully built to stand up to the fun and challenging experiences Polaris vehicles enable. Each piece of apparel and equipment bearing the Polaris name is crafted by outdoor enthusiasts, for outdoor enthusiasts. They are a badge of honor—representing what the Polaris brand stands for—a passion to simply be outside doing what you love. Polaris Apparel is rider-inspired and tested under real-world extremes so it's ready for anything the outdoors will throw at it.

# DESIGNED BY RIDERS FOR RIDERS

Polaris Engineered Riding Gear is high-quality outdoor gear designed for a wide range of riders, riding styles and other outdoor activities. It is intentionally designed to work together as a smart solution with the best fit and optimal comfort so that you can stay out longer, doing what you love.

## HELMET

**FACE THE DAY WITH CONFIDENCE.**  
The ideal snowmobile helmet will offer proper fit, all-day comfort and personal style—to inspire confidence when you're out there carving powder.

## GOGGLES

**EVERY DAY. ANY CONDITION.**  
We offer a range of styles to fit your look and lens color options to enhance your vision in virtually any light condition you'll encounter—helping you pick out obstacles earlier and reduce eye strain.

## JACKET **TECH54**

**OWN THE EXTREMES.**  
All of our riding jackets are purpose built by our own team of technical experts to provide cold weather comfort, flexibility and a wide range of motion. Select the jacket that is best for your riding conditions with the right amount of warmth and breathability.

## BIBS **TECH54**

**LIVE IN YOUR ELEMENT.**  
Warmth, comfortable fit, and flexibility are key in choosing the right bibs. Polaris bibs provide a wider range of motion in the knees, thighs and waist to move with you as you ride.

**TECH54**

Every Polaris riding jacket, bib, monosuit and boot is made with TECH54, an exclusive technology from Polaris. TECH54 is a waterproof and breathable membrane that locks out moisture, and lets body vapor escape, to keep you warm, dry and comfortable. Visit P. 7 to learn more.

## BALAACLAVA

**SHIELD THE ELEMENTS.**  
Keep your face and neck protected from harsh conditions with a balaclava. These are intentionally designed to keep you warm and comfortable with windproof material and an anti-fog design.

## LAYERING

**LAYER ON THE WARMTH.**  
Choose the right layers for your conditions. Start with our moisture-wicking base layers to help maintain proper body temperature, then add middle insulating or a heated layer depending on the weather.

## GLOVES

**GRAB HOLD OF THE ADVENTURE.**  
All Polaris Engineered gloves are designed to keep the bitter cold out using a powerful combination of insulated materials and moisture-wicking linings while giving you a firm, confident grip on any situation.

## BOOTS **TECH54**

**PERFORMANCE, WARMTH AND COMFORT.**  
Cold feet ruin more snowmobile rides than anything else. Stay warm and dry all day with the Switchback 2.0 Boot which features hypergrip traction and a BOA® lacing system for easy on and off.

# THE RIGHT GEAR FOR HOW YOU RIDE.

Riding gear specifically designed for your riding style with different levels of warmth, breathability and versatility. Find the best gear for you based on the type of riding you do most. Ride in style with colors that match your sled and your personality.

Scan the QR codes below to explore the full lineup.

## TRAIL GEAR

Women's Teton Bib	P. 34
Teton Glove	P. 61

# TECH54

## TECHNOLOGY TO OWN THE EXTREMES

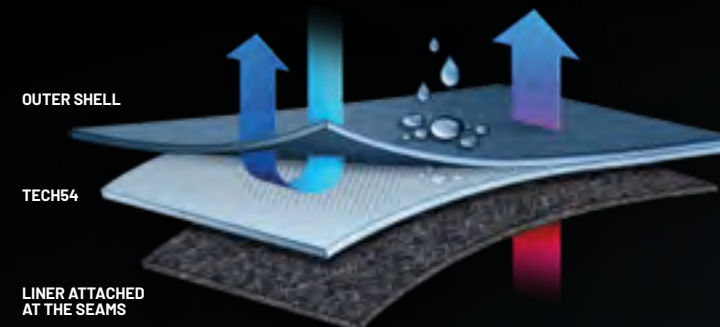

STAY WARM AND DRY IN RIDING GEAR WITH TECH 54.

Our Apparel Center of Excellence developed TECH54—a waterproof, breathable membrane featured in every Polaris jacket, bib and monosuit. This exclusive technology allows perspiration to escape and keeps water out, so no matter how you ride, or where you ride, you stay dry, warm and comfortable.

### WATERPROOF/BREATHABLE

TECH54 is our single-layer bonded laminate technology that brings waterproof breathability and riding comfort to a new level in every Polaris jacket and bib.

OUTER SHELL

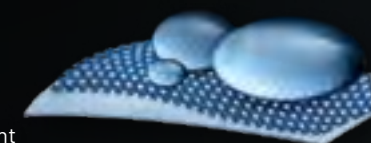

TECH54

LINER ATTACHED AT THE SEAMS

### DWR

### RESIST MOISTURE

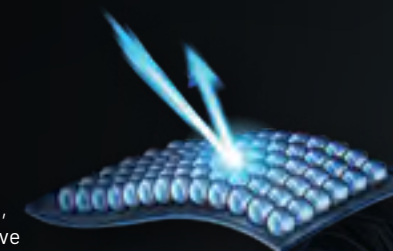

Every Polaris jacket and bib is treated with a DWR (Durable Water Repellent) coating to prevent precipitation from saturating the outer fabric, so your gear doesn't get soggy. The DWR coating causes water to bead up and run off, keeping you comfortable and dry.

### 3M Scotchlite™ Reflective Material

### RIDE SAFER

Proven in every weather condition, patented 3M® Scotchlite® Reflective Material is placed meticulously on each garment and nighttime tested to provide visibility from every angle.

### YKK ZIPPERS

### STAY PROTECTED

Quality construction you can trust.

### 3M Thinsulate™ INSULATION

### BE WARMER

3M® Thinsulate® Insulation is zonally mapped on insulated apparel to provide extra insulation in high wind exposure areas.

### HOW IT WORKS TO ELEVATE YOUR RIDE.

5k/5k, 10k/10k OR 20k/20k

### WATERPROOF

The first number (5k, 10k or 20k) refers to the waterproof rating.

### BREATHABILITY

The second number (5k, 10k or 20k) refers to how much water vapor the material can expel through the outerwear to release heat—and keep you dry from the inside.

### DIFFERENT RATINGS FOR DIFFERENT RIDES

Choose your TECH54 rating based on the weather conditions and your level of exertion.

**5k/5k:** best for colder and drier snow conditions and moderate activity.

**10k/10k:** best for wet snow conditions and high-activity riding.

**20k/20k:** best for extremely wet snow conditions and the most aggressive riding.

# MEN'S RIDING GEAR

Our innovative designs and advanced technical materials keep you warm, dry, and happy - head to toe - on every ride. TECH54 jackets, bibs, and monosuits provide ultimate protection and comfort for every type of rider. And our helmets offer styles, designs, and features just right for the way you ride.

# LAYERING

Anyone can layer up. But the key to staying warm and comfortable is picking the right layers for the conditions. Start with our moisture-wicking base layers to help maintain proper body temperature, then add a middle insulating or heated layer depending on the conditions.

# LIFESTYLE

Polaris hats, tees and jackets show others how you choose to live your life. This is well-crafted clothing that's purpose-built to keep you comfortable outdoors—right where you want to be.

# POLARIS HEATED APPAREL

Keep warm even on the coldest days with Polaris Heated Apparel. By keeping the heat close to your body, you can stay out longer on all your winter adventures. The Polaris Heated Apparel lineup includes the Heated Vest, Heated Base Layers, and a Heated Glove Liner for both men and women. Easily control your heat setting with the touch of a button.

### THE HEAT INDEX

	100%	75%	50%	25%
	Up to 135° F	Up to 120° F	Up to 105° F	Up to 90° F
	Up to 2.0 Hrs.	Up to 3.0 Hrs.	Up to 4.0 Hrs.	Up to 8.0 Hrs.

NOTE: Heat and time are estimated and may vary depending on conditions. Exposing battery to cold temperatures may impact these estimates.

## THE HEATED ADVANTAGE

The Polaris Heated Apparel lineup features lightweight, moisture wicking fabric infused with stretch panels and a chafe free waistband to give you the most comfortable layering to wear on all of your cold weather adventures, on or off the trail.

Our lineup has multiple heat panels for evenly distributed heat for maximum warmth and comfort. Easily adjust between 4 heat settings for changing weather conditions with built-in buttons.

\* TOP SELLER  
**HEATED VEST**

# WOMEN'S RIDING GEAR

Our innovative designs and advanced technical materials keep you warm, dry, and happy – head to toe – on every ride. TECH54 jackets, bibs, and monosuits provide ultimate protection and comfort for every type of rider. And our helmets offer styles, designs, and features just right for the way you ride.

# LAYERING

Anyone can layer up. But the key to staying warm and comfortable is picking the right layers for the conditions. Start with our moisture-wicking base layers to help maintain proper body temperature, then add a middle insulating or heated layer depending on the conditions.

# LIFESTYLE

Polaris hats, tees and jackets show others how you choose to live your life. This is well-crafted clothing that's purpose-built to keep you comfortable outdoors—right where you want to be.

# FUELING YOUR PASSION

Relentlessly driven by our passion for riding and the outdoors, 509 is the fuel that enables you to live your passion for adventure through innovative products and inspiring storytelling.

The lineup of 509 helmets for Polaris features innovative technology, next-level design, and the versatility to ride confidently in any terrain. Whether you're ascending deep mountain powder or enjoying a perfectly groomed trail, 509 for Polaris has a helmet to fit your riding passion.

## IGNITE

### IGNITE DUAL-PANE CLIMATE CONTROL

Ride confidently knowing your vision will be fog-free and crystal clear as you maneuver through the trails.

SCAN THE QR CODE TO LEARN MORE ABOUT HOW TO POWER YOUR HEATED SHIELD.

The lineup of 509 helmets for Polaris features Fidlock® technology, an easy-on and easy-off magnetic closure device that delivers a quick, secure closure every time.

- EASY ONE-HAND OPENING
- EVEN WITH GLOVES
- DOT- AND ECE-APPROVED

## THE RIGHT HELMET FOR YOUR RIDE

Find the helmet that fits your riding style with the best combination of features at a price that's right for you.

### MODULAR

- Versatile flip-open front chin
- Electric shield optional
- Wide field of view for peripheral sightlines

### FULL FACE

- Full Face Protection
- Electric shield optional
- Easy to operate flip shield

### MOTO

- Full-helmet ventilation
- Removable breath box
- Enables preferred goggle & lens selection

### ULTIMATE

**509 DELTA R4**  
Ultimate all-in-one modular design with exceptional vision, comfort and convenience.

**509 DELTA V COMMANDER**  
No longer a helmet, it's a cockpit.

**509 DELTA V CARBON IGNITE**  
Built for long rides, at speed, in cold temperatures.

**509 ALTITUDE 2.0**  
Lightweight design, performance-infused style, and GOPRO® mounting capability

### PREMIUM

**MODULAR 2.0**  
Sophisticated style, electric shield equipped and perfect for a long day riding.

**509 DELTA R3L**  
Unlimited versatility in dual-sport, full-face or open configurations with premium protection.

**509 TACTICAL 3.0 MTN**  
Combines style with versatility for ultimate comfort and control.

### BASE

**MODULAR 1.0**  
Simple in design, big on features and functionality.

**BLAZE**  
Lightweight shell combined with full-face protection.

**TENACITY 4.0**  
Modern style, premium protection, incredible value.

### MAKE ANY HELMET A SMART HELMET WITH THE CARDO PACKTALK EDGE

Connect with other riders with this Cardo Packtalk Edge Bluetooth® wireless mic, available as a single or duo pack. Attach it to the side of your helmet and put the speakers in your helmet to easily communicate with other riders on the go.

APPAREL

**MOUNTAIN APPAREL**  
Uninsulated outerwear made of TECH54 20k/20k material.

**CROSSOVER APPAREL**  
Insulated outerwear made of TECH54 10k/10k material.

**TRAIL APPAREL**  
Insulated outerwear made of TECH54 5k/5k material.

**DOT & ECE 22.06 CERTIFIED**

The Department of Transportation (DOT) standard is enforced by the National Highway Traffic Safety Administration (NHTSA). For a helmet to be DOT-certified, it must pass a series of impact tests.

**ECE 22.06**

The Economic Commission for Europe (ECE) standard, R 22.06, is the most common helmet standard used internationally, as it is recognized by over 50 countries. To be ECE 22.06 certified, the helmet must pass a series of rigorous tests by an independent third-party lab.

**3M® THINSULATE® INSULATION**

3M® Thinsulate® Insulation is warm yet lightweight, powerful yet thin. It helps trap body heat while allowing moisture to escape.

**3M® SCOTCHLITE® REFLECTIVE MATERIAL**

Patented 3M® Scotchlite® Reflective Material provides nighttime visibility from every angle.

**TECH54**

A waterproof and breathable membrane bonded to the shell fabric to block moisture from entering while allowing vapor moisture to escape from the inside.

**YKK® ZIPPERS**

The YKK® Fastening Products Group is trusted worldwide for impeccable production standards and thorough quality control processes for slide fasteners, plastic hardware, hook-and-loop fasteners, webbing tapes and snap-and-button products.

**SUPERIOR DURABLE WATER REPELLENCY**

A Superior DWR coating causes water to bead up and run off, preventing precipitation from saturating the exterior of an outerwear piece.

**BOA® LACING SYSTEM**

The BOA® lacing system is easier to get on and off than traditional lace-up boots. Simply push to engage, turn to tighten and pull for quick release.
